## RECM 450 Bachelor Degree Internship Program Student Learning Outcomes & Objectives and Activities

### Internship Student Learning Outcomes RECM 450:

- Demonstrate competency in applied mathematics as related to the green industry
- Demonstrate competency in written and oral communications in the green industry, including self-reflections (internship reporting) on experiences and professional growth.
- Demonstrate a strong work ethic including attentiveness, punctuality and observational skills.
- Demonstrate self-direction and initiative in performing assigned duties.
- Effectively collaborate with team members, supervisors and/or customers.

### Internship Objectives and Activities Instructions:

1. Please review the outcomes above with the Faculty Supervisor.
2. **In a new document**, list objectives of your internship and the specific activities to be completed. Indicate approximate amount of time to be devoted to each activity. Be as specific as possible. (The Faculty Supervisor will provide guidance in initial preparation of this section with input from the Site Supervisor.)
3. Once completed and approved by your faculty supervisor, please attach **this form AND your typed document** (Word or PDF document required) to the Internship Learning Agreement (ILA). *Please do not attach and submit this document until everyone agrees to the objectives and activities you've provided.*

For help completing this task or with the internship registration process please email [internships@cobleskill.edu](mailto:internships@cobleskill.edu)
