between
STATE UNIVERSITY OF NEW YORK AT COBLESKILL
and
JEFFERSON COMMUNITY COLLEGE**

August 2022

This agreement establishes procedures to promote the easy transition of qualified Early Childhood associate degree graduates from Jefferson Community College (JCC) to the Early Childhood Studies: Birth to Age 5 Bachelor of Science degree program at the State University of New York at Cobleskill (SUNY Cobleskill).

Objectives of the Agreement

1. To provide a transfer path to qualified JCC graduates who want to enhance their education and careers by pursuing a bachelor's degree.
2. To assist academic advisors with pertinent academic information for students who wish to continue their education in an upper-division program.
3. To attract qualified students to JCC and SUNY Cobleskill.
4. To facilitate communication and academic coordination between faculty and administrators at each institution regarding curriculum and the transferability of the courses.

Terms of the Agreement

1. Students from JCC, who complete an associate degree and the courses outlined in Addendums A or B, with a minimum 2.50 cumulative grade point average, will be guaranteed admission to the Early Childhood Studies: Birth to Age 5 BS degree program at SUNY Cobleskill with full junior status.
2. Transfer students must complete and file the SUNY Admissions Application indicating transfer to SUNY Cobleskill prior to November 15 for spring semester entry, and prior to May 15 for fall semester entry.
3. Major field and advisement option courses with grades of C or better and ENG 101 with a C- or better will be accepted for transfer credit.
4. Students who do not meet the requirements of this agreement will also be considered for admission. They will be evaluated on an individual basis.

Review and Revision of the Agreement

This agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

Termination

This agreement shall remain in force from August 2022, on which it is signed, until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.
