

# 1+1 Transfer Agreement

between

# STATE UNIVERSITY OF NEW YORK COLLEGE OF AGRICULTURE AND TECHNOLOGY AT COBLESKILL

and

### **FULTON-MONTGOMERY COMMUNITY COLLEGE**

#### March 2024

This agreement establishes procedures to promote the easy transition of students from Fulton-Montgomery Community College (FMCC) to the Histotechnician Associate in Applied Science degree program at the State University of New York College of Agriculture and Technology at Cobleskill (SUNY Cobleskill).

### Terms of the Agreement

Students from Fulton-Montgomery Community College who complete the prerequisites as specified below, with a minimum overall grade point average of 2.25 for the first year of study, will be guaranteed acceptance to SUNY Cobleskill as a second-year student. If the class is full, the student will be given the highest priority for the next year.

This provides an opportunity to complete the Histotechnician Associate in Applied Science degree in one year of academic work at SUNY Cobleskill including a 400-hour summer clinical rotation at an approved clinical affiliate site.

Students must earn a grade of C- or better in all required prerequisite courses and maintain a C grade or better in all Major Field (\* designation) courses.

# Review and Revision of the Agreement

This joint agreement will be reviewed when substantial changes are made in the curriculum on either campus. At the request of either party, a review of the Transfer Articulation Agreement will be conducted by both institutions.

#### Termination

This agreement shall remain in force from the date on which it is signed, in March 2024, until such time as either institution elects to terminate it. Termination by either institution will be announced with sufficient anticipation to assure any students enrolled the opportunity to be admitted to SUNY Cobleskill under its terms.

# **Effective Date and Signatures**

This agreement will become effective March 2024, upon acceptance of Agreement with appropriate signatures.
